

Owner of a luxury home but still stuck to a landline ?

We've gotten to the point where each one of us wants to use our phone everywhere. But is it too much to expect a seamless wireless network coverage wherever we are? Especially when your customers spend a fortune to stay at an apartment so close to their hearts.

A good phone service is not just a desire, but a demand in today's smartphone culture. Is your business doing enough to serve your high ticket customers and rendering an experience worth a memory of lifetime. Omoco network solutions for luxury homes gives coverage, non-stop calls for your customers that don't shy from living a life on their terms. Make it worth their while with Omoco.

ABOUT OMOCO

Omoco develops Deploy-it-yourself Micro Telecom Network solution, suitable for individuals, enterprises and communities who want to build their own wireless communication network.
